Dear Michael and Brenda,

On behalf of The Jackson Laboratory we would like to thank you for the FANTASTIC job you did at this years annual Employee Picnic.

You put so much effort into picking the right music and props for our chosen themes and always accommodating for such a large group of people.

Your demonstrations of line dancing were a huge hit with many employees as well as the karaoke.

Thank you again for all of your hard work and we look forward to working with you in the future.

Sincerely,

Donna Bruno
Employee Event and Training Coordinator
